

**Lane closures on Rockville Pike in Bethesda at NIH/Walter Reed:
10:00 PM Friday, June 9 through 5:00 AM Monday, June 12, 2017**

[En Espanol Aqui](#)

June 7, 2017

Hello:

The Montgomery County Dept. of Transportation will close TWO SOUTHBOUND LEFT LANES and ONE NORTHBOUND LEFT LANE of Rockville Pike (MD 355) between Woodmont Avenue and Center Drive, near the Medical Center Metro Station, NIH, and the Walter Reed National Military Medical Center at Naval Support Activity Bethesda.

Weather permitting, these two southbound lanes and one northbound lane will be closed starting at 10:00 PM on Friday June 9 through 5:00 AM on Monday June 12, 2017.

These lane closures are part of the ongoing construction of the Crossing Project at the Medical Center Metro Station, which will establish a shallow pedestrian underpass between NIH and Walter Reed, and deep elevators on the Navy side of MD 355 to the Metrorail mezzanine. Construction of the Crossing Project is anticipated through mid-2021.

The area of Rockville Pike near the Medical Center Metro Station, NIH and Walter Reed is a construction zone. Please pay attention to all signs, and drive, walk or bike carefully through the area.
